

Tentative Schedule

All times listed are in Eastern Time and exact session times are subject to change. 😊 If you can't attend all the sessions LIVE, that's okay. The recordings will be available for you to watch (usually within a few hours after the live broadcast), and you have a 3-week grace period following the event to watch all the sessions and submit your certification documents to become certified.

Inner Circle Groups: Your group assignment is determined by your location and time zone:

- Group A: North America
- Group B: South America, Europe, Asia
- Group C: Australia, New Zealand, Asia

Important: If the scheduled meeting times for your assigned group are inconvenient and you wish to request placement in a different group, please notify us promptly by emailing trainer@tut.com.

Pre-Conference Registration: You'll login to our Zoom Registration Room during any of the registration time windows (there will be a couple to choose from on Wednesday, November 6th and Thursday, November 7th). This should only take 10 minutes and you'll only need to attend registration once.

Welcome Party Mixers: There will be two events to choose from, either Wednesday, November 6th or Thursday, November 7th. You'll only need to attend one of these.
