WORKSHOP

The Fast Track To Becoming A Dynamic Speaker! Starts August 1st, 2007!

- ★ How to create powerful presentations and speak like a pro!
- ★ Simple techniques for speaking with confidence and clarity!
- ★ Learn powerful techniques actors and comedians use to captivate the audience!
- ★ 7 Humor techniques that will make you funny, even if you don't think you're funny!
- ★ Learn one of the most powerful techniques actors and comedians use for creating DRAMA and why it's essential for every story you tell!
- ★ Learn how to act out your stories and relive the magic moments!
- ★ How use humor to draw the audience to you and build instant rapport.
- ★ Techniques for developing vocal variety and speaking with passion.
- ★ Learn improv comedy techniques for thinking on your feet, and handling any situation!
- ★ Learn how to speak from the heart and share your truth!

Knowing how to use comedy, drama, and story telling gives you an advantage in your business presentations and speeches. Humor breaks the ice, uplifts your audience and makes you and your message memorable. Story telling is the magic wand that transports your audience into another world. It captivates their imagination. Understanding how to add drama creates an emotional connection between you and your audience that puts them in the palm of your hand. Using all three skills in your business presentations and speeches will advance your career, increase your personal income and make you... The Ultimate Speaker®.

Next Time You Speak You'll Inspire Your Audience To Take Action!

LIMITING BELIEFS

THAT HOLD YOU BACK FROM BEING FUNNY

- > I'm not funny**
- > Nobody get my jokes**
- > I have a weird sense of humor**
- > I'm way too serious**

**“IF YOU THINK YOU CAN OR CAN’T
YOUR RIGHT” - HENRY FORD**

IT’S THE LAW OF ATTRACTION IN ACTION!

THOUGHTS BECOME THINGS!

**IF YOU TELL THE STORY, “I’M NOT FUNNY,” YOU
WILL NEVER BE FUNNY!**

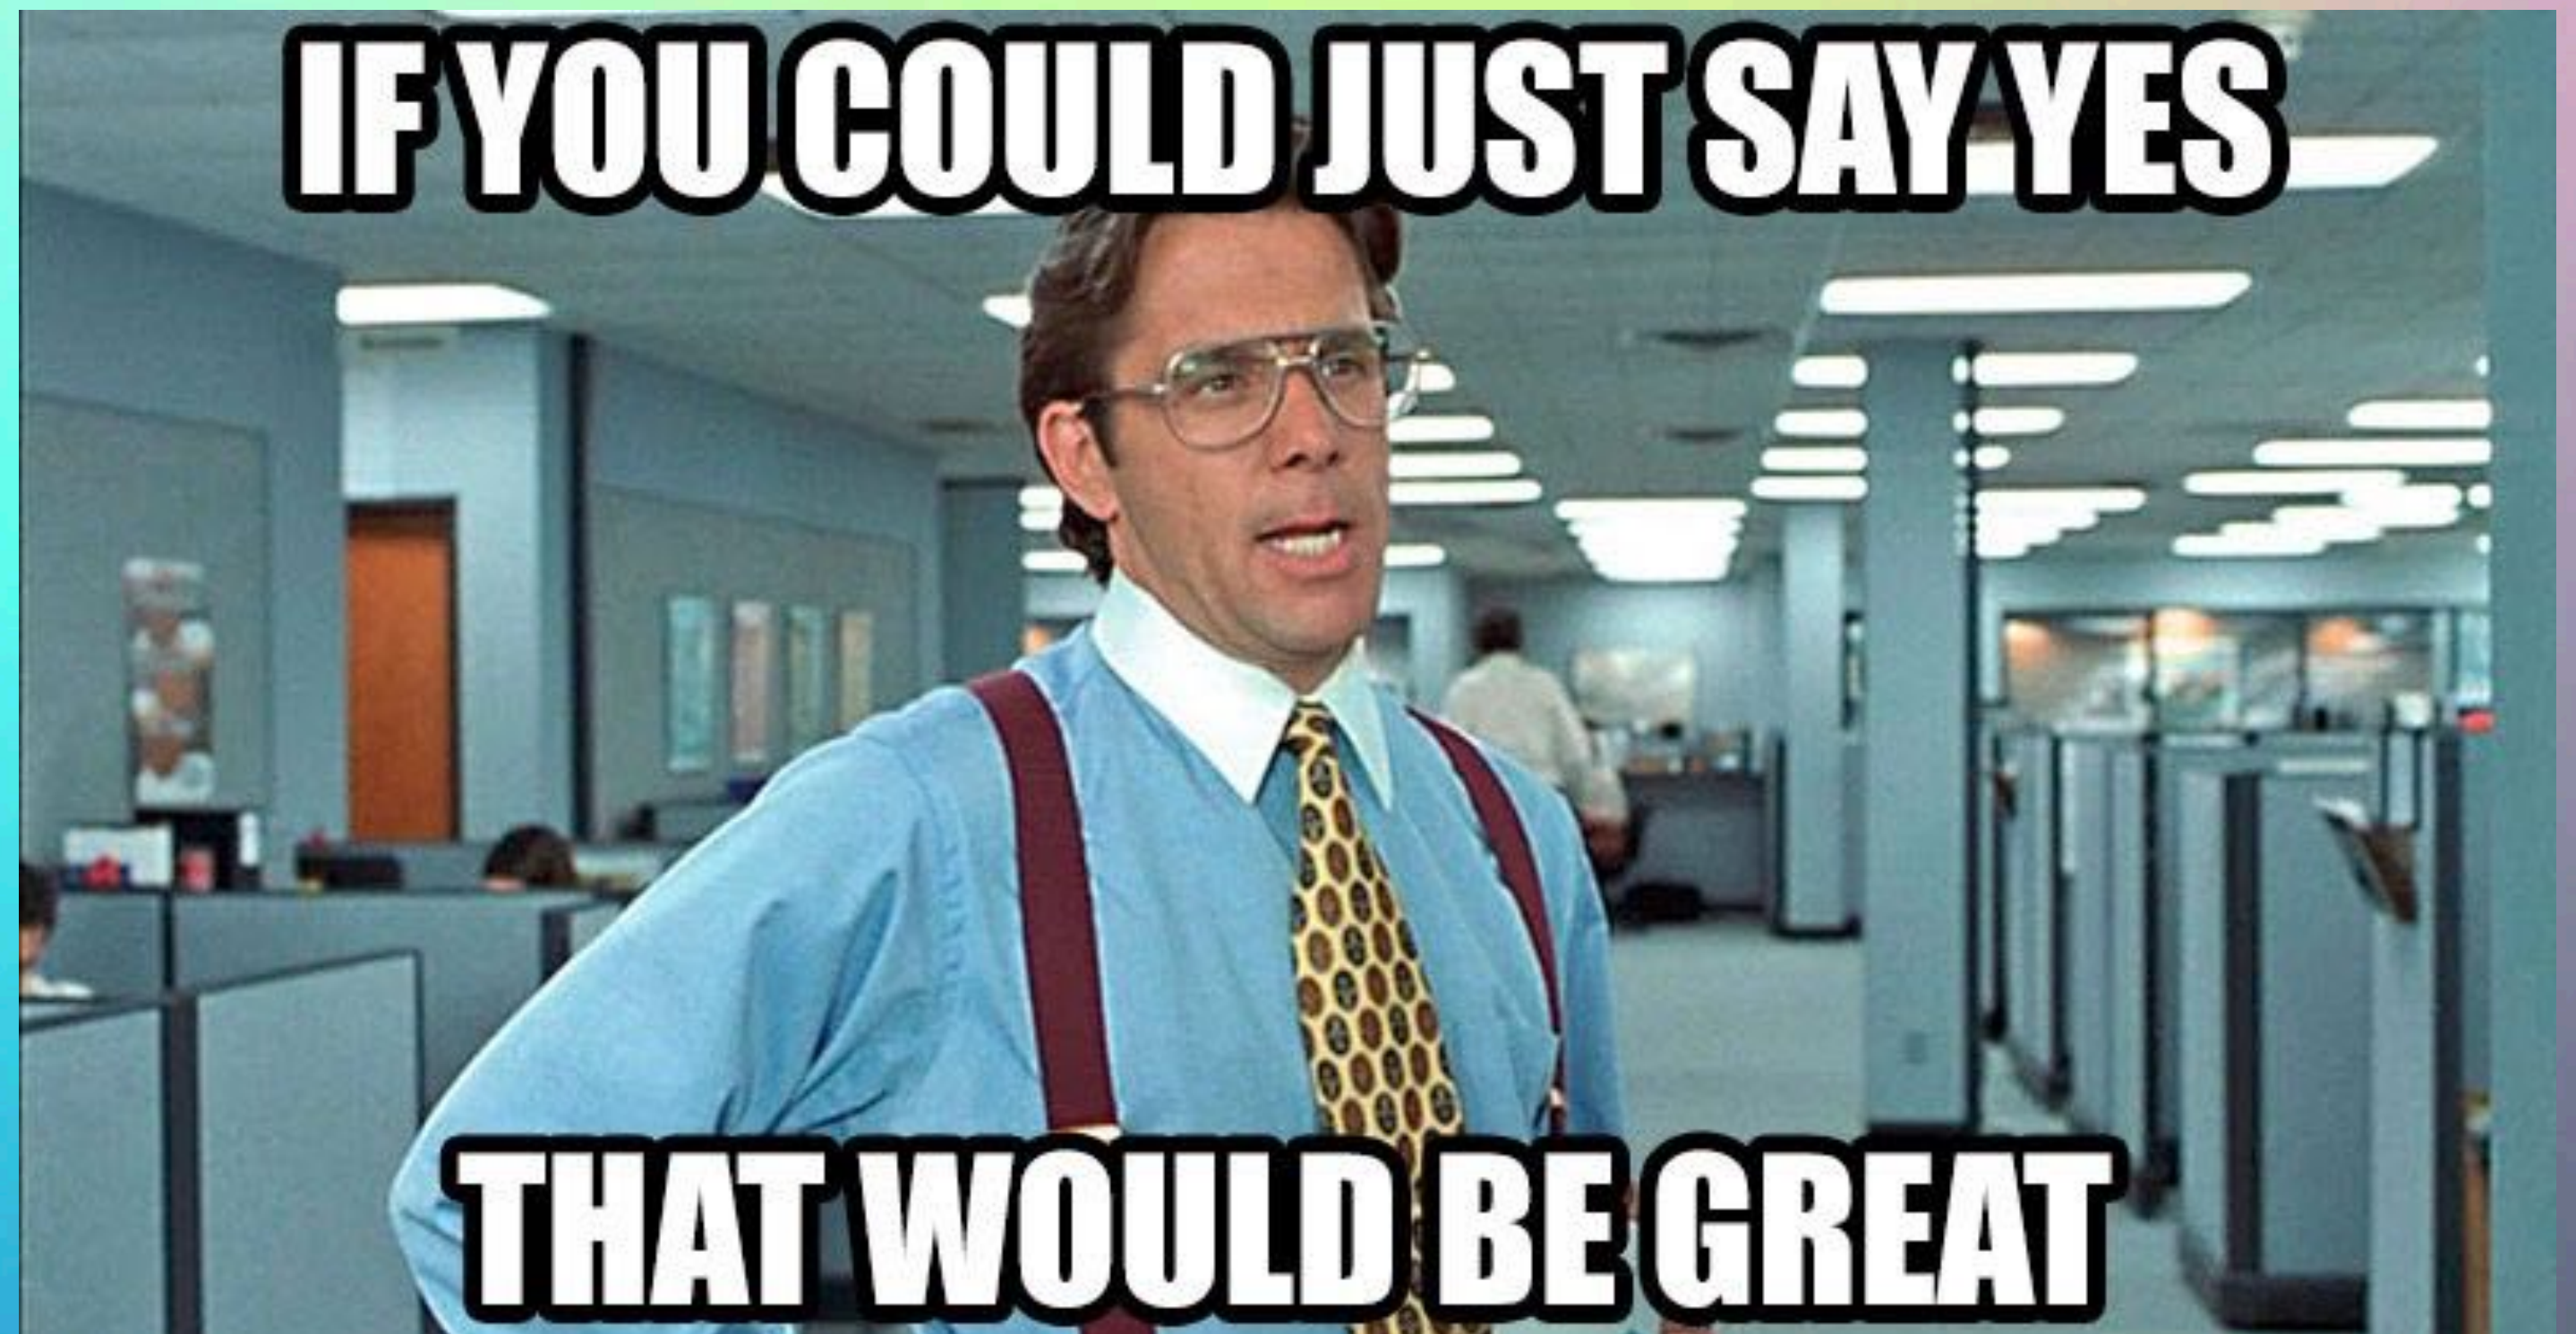

The exciting thing about comedy is that it's a learnable skill! You don't have to be born funny or the class clown.

Comedy is a learnable skill! Think about it. You learned how to make a living and raise your kids or ruin your kids.

Either way you can learn to be funny.

KILLER COMEDY TIPS

TRUTH IN COMEDY

Share your truth.

You can turn your embarrassing stories into the funniest stories by telling your truth.

“Tragedy plus time equals comedy.” ~ Woody Allen

KILLER COMEDY TIPS

THE ART OF EXAGGERATION

Exaggeration is one of the easiest and most common comedic tools used in all types of humor!

Effective humor is truth based, so the key to maximizing comedic potential is striking a balance between realism and exaggeration.

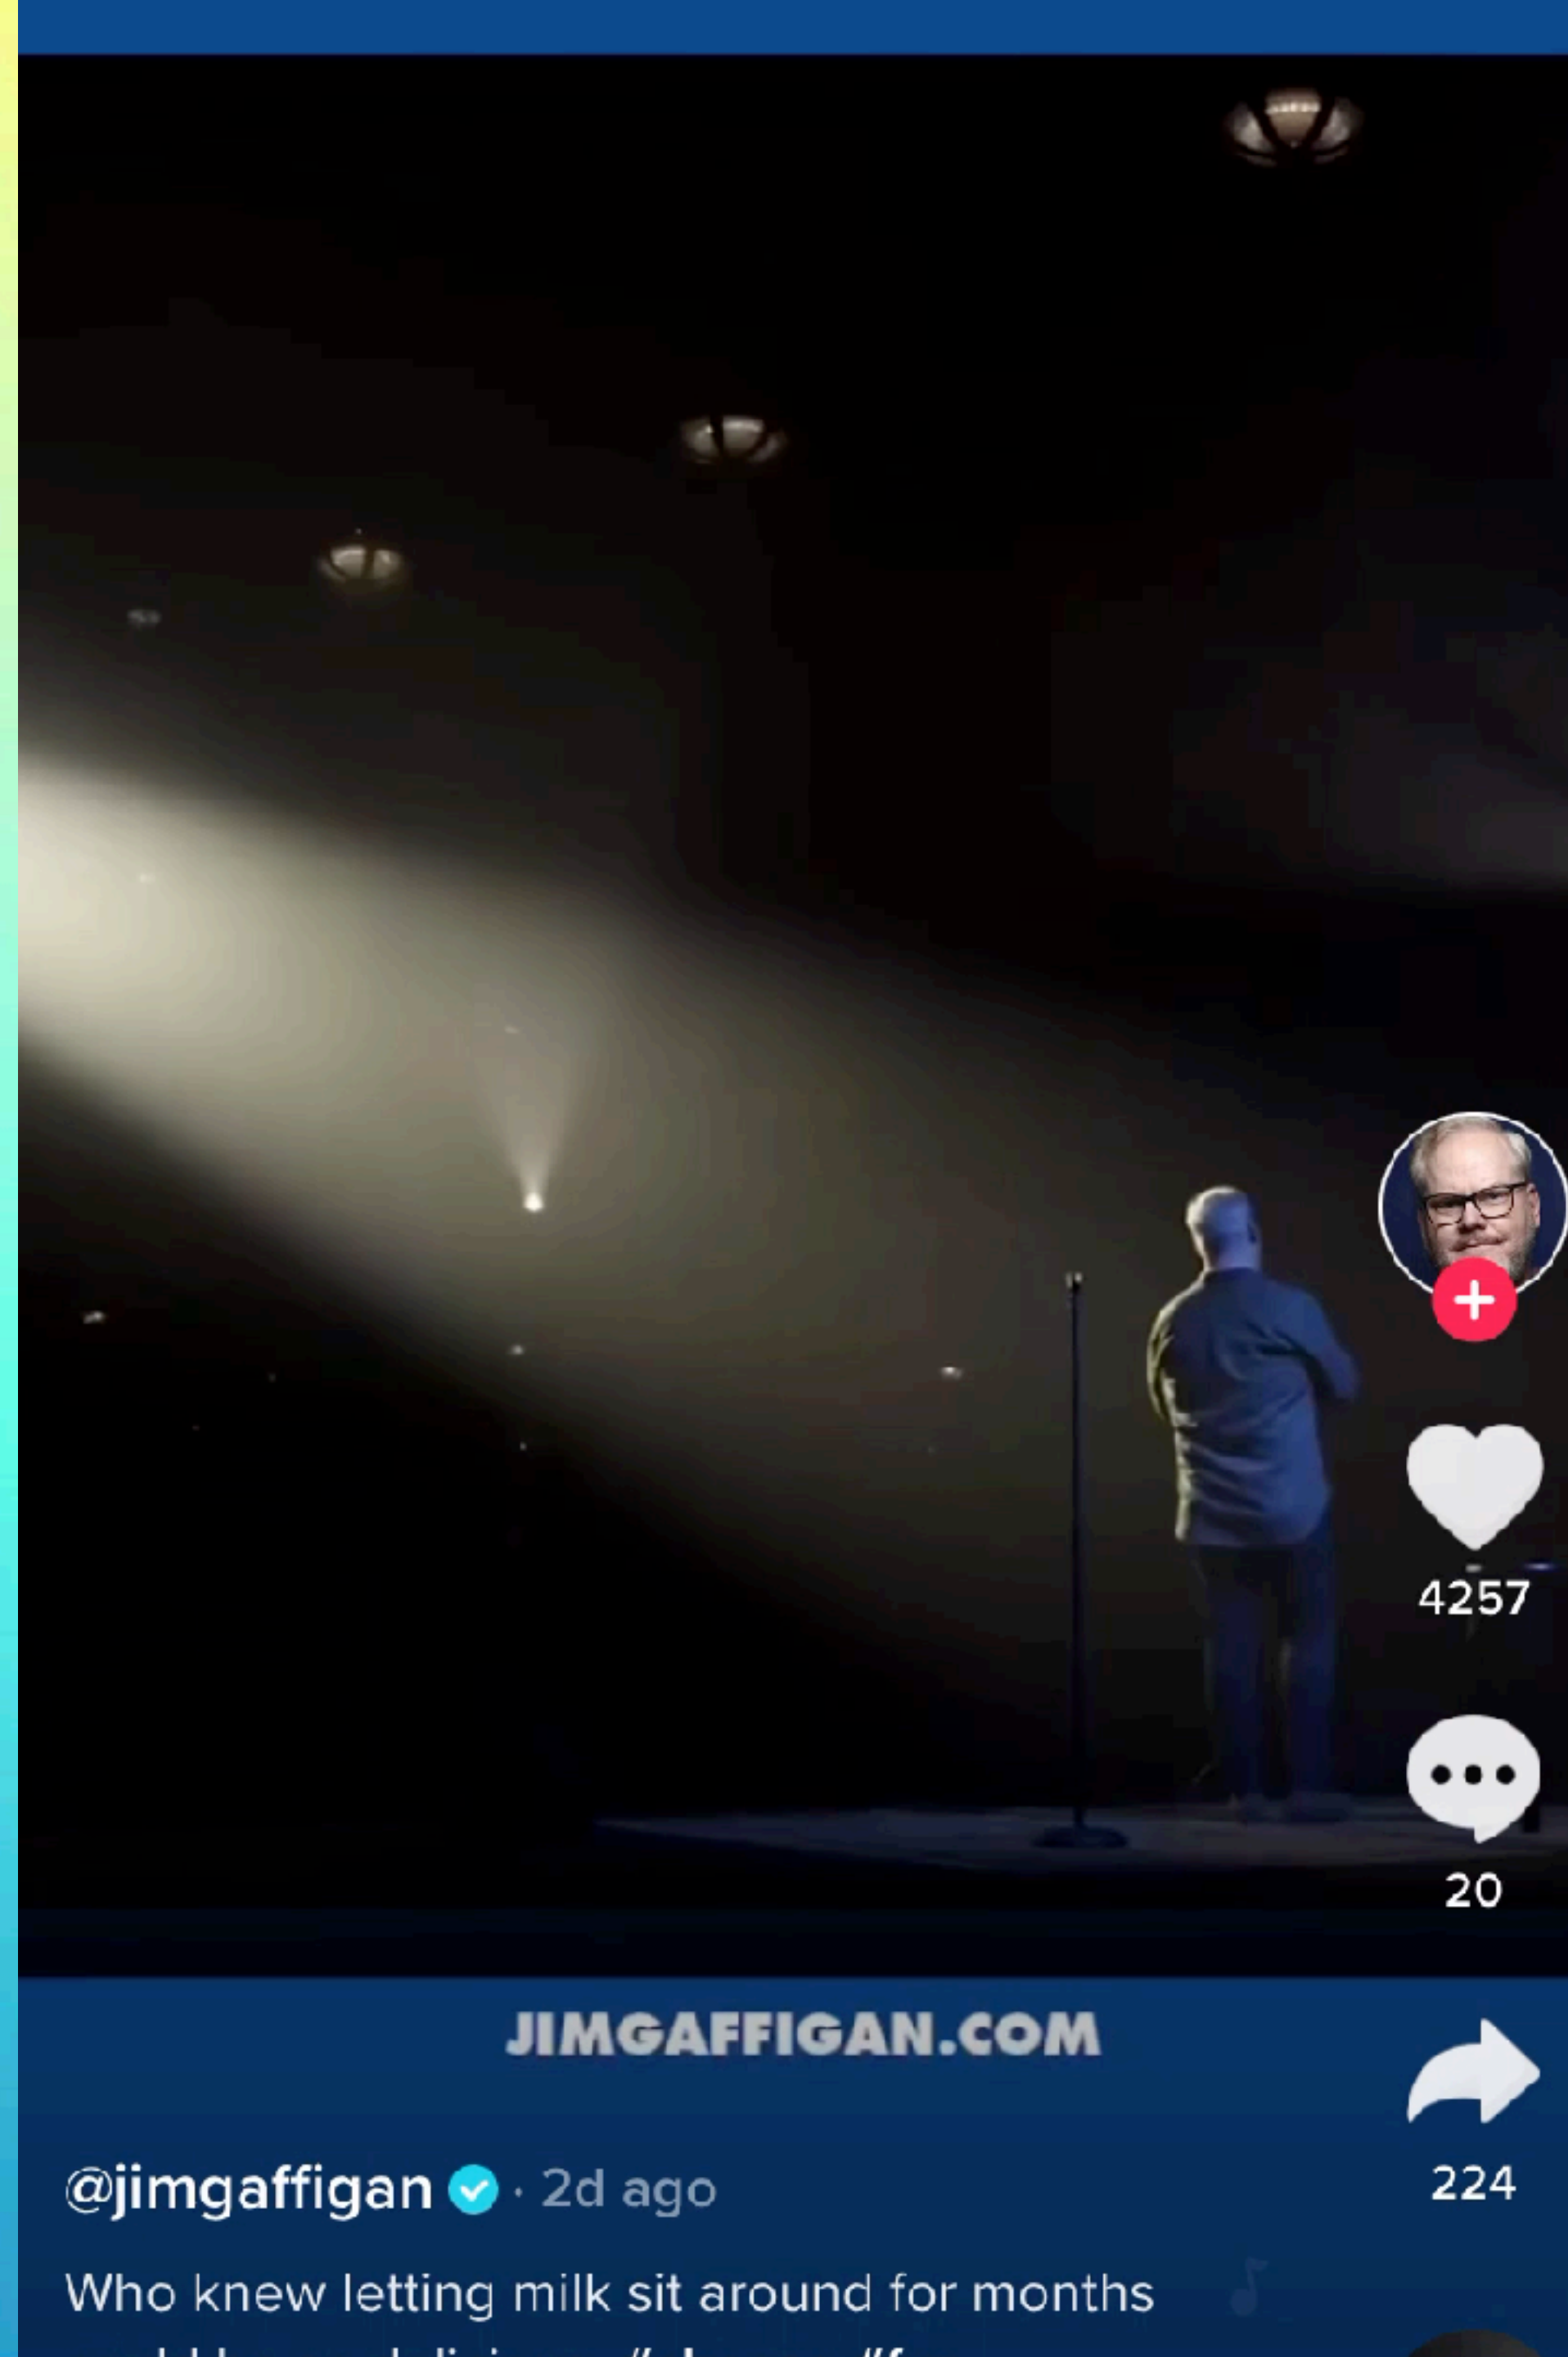

**If I told you once I've told you a thousands times...
don't exaggerate!**

IN LIFE $1+1=2$

IN COMEDY $1+1=11$

**WHAT PART OF YOUR STORIES CAN YOU
EXAGGERATE TO GET MORE LAUGHS?**

Exaggeration of a dog !

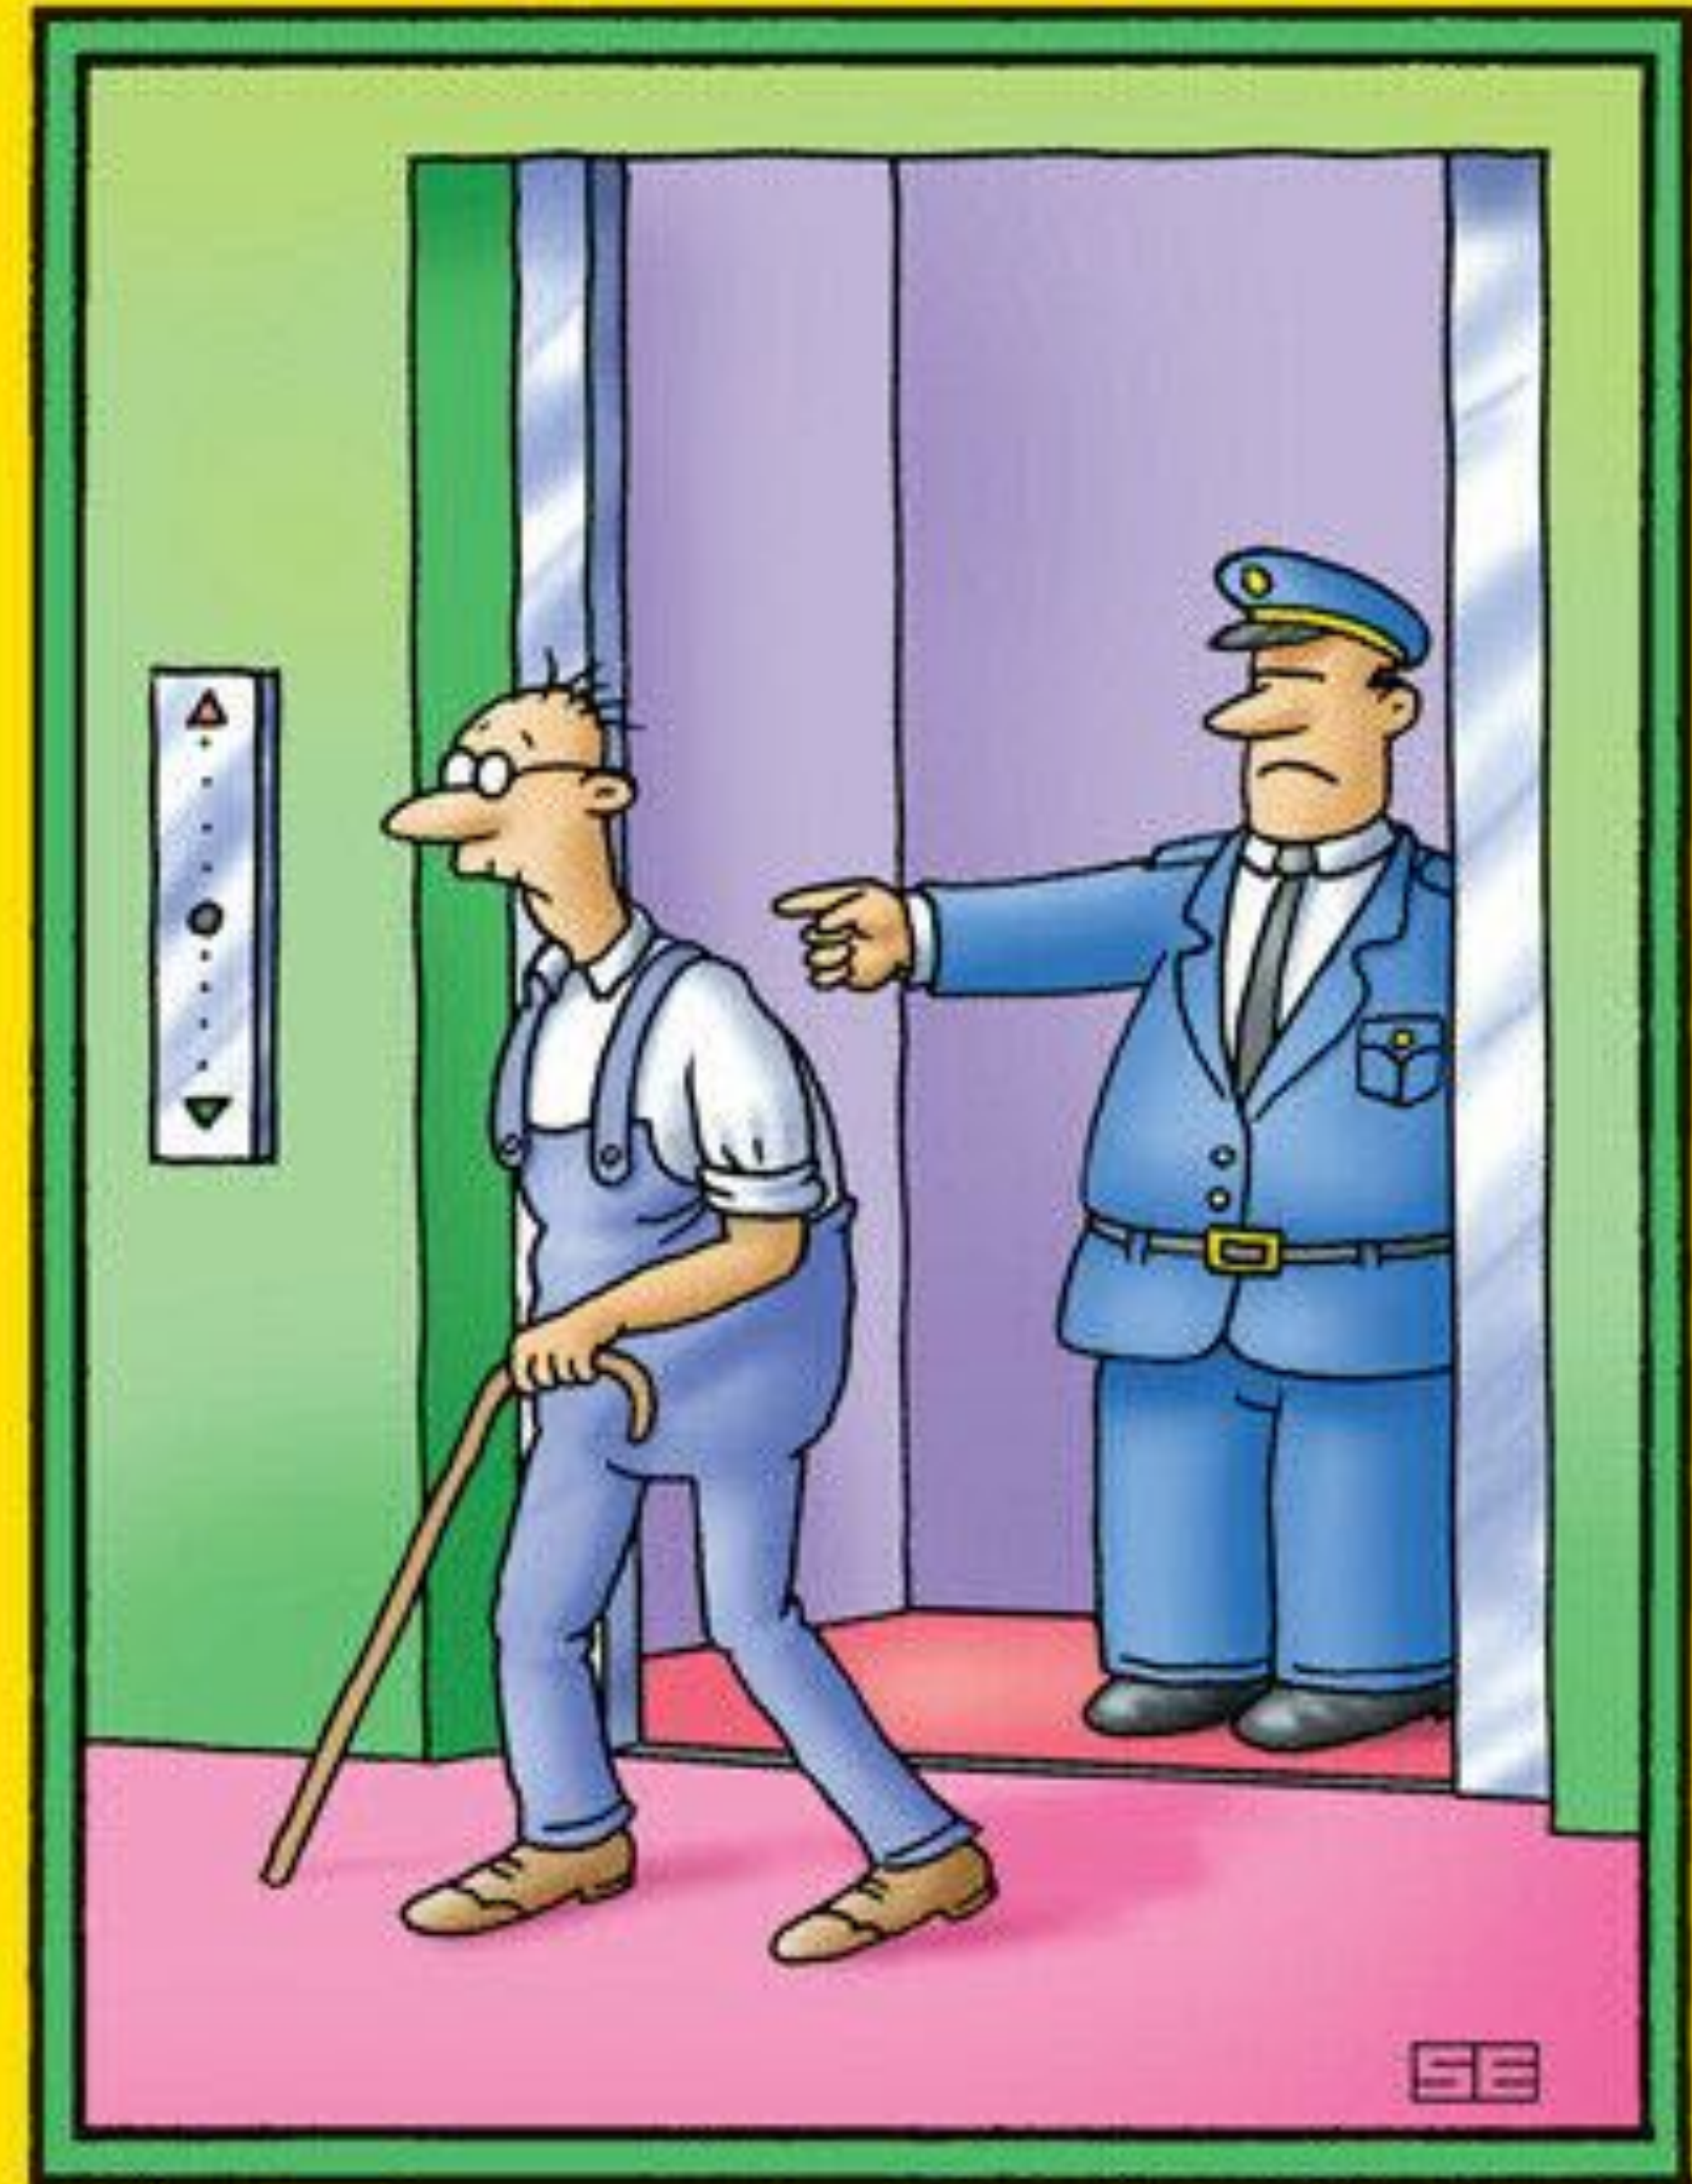

EXERCISE

WRITE A JOKE USING EXAGGERATION

The elevator in the hotel was so slow...

- > By the time the newlyweds got off the elevator they were nearly dead.
- > My elevator pitch turned into WAR & PEACE.
- > YOUR TURN come up with your own joke.

The guard discovered that someone had left an old fart in the elevator.

SECOND KEYWORD

TRAIN

1 2 FUNNY

1, 2, FUNNY

AKA RULE OF THREE

Laughter is caused by SURPRISE.

1, 2, funny is the fastest way to start creating humor for your stories. 1, 2, funny creates an expectation in the audiences mind, then you SURPRISE them with with something they are not expecting.

This is the basic structure for ALL comedy.

1, 2, FUNNY EXAMPLES

AKA RULE OF THREE

I had the best Grandmother in the world, she was always there for me. Coming home from school on those hot summer days, ice cold lemonade. During the winter, hot chocolate and on those stressful days of final exams, vodka.

Grandma Dooley was absolute.

12 FUNNY EXAMPLES

AKA RULE OF THREE

“I celebrated Thanksgiving in an old-fashioned way. I invited everyone in my neighborhood to my house, we had an enormous feast, and then I killed them and took their land.”

- Jon Stewart

This bonsai tree will make you happy, this bonsai tree will bring you prosperity, and this bonsai tree will give you herpes.

12 FUNNY EXAMPLES

AKA RULE OF THREE

“The secret to staying young is to live honestly, eat slowly and lie about your age.”

- Lucille Ball

“She’s hateful, she’s despicable, I’m in love.”

“Paris, Tokyo, Fargo.”

12 FUNNY EXAMPLES

AKA RULE OF THREE

One of my clients came up with this joke.

“Ladies, the secret to a successful marriage is compassion, commitment and a pool boy.

And 3 times a week I have my pool cleaned!”

- Allison C.

EXERCISE

12 FUNNY

Three things you should bring to an IRS audit.

Think of the logical things you would bring.

- > Tax returns
- > Receipts, check book,
- > Previous tax returns, etc.

EXERCISE

12 FUNNY

To find the FUNNY think of something you would bring that is unexpected/ exaggerated.

- > A small caliber weapon
- > A cattle prod
- > Clean pair of underwear
- > KY Jelly

EXERCISE

12 FUNNY

FINAL JOKE

Three things you should bring to an IRS audit.

Tax returns, receipts and a clean pair of underwear.

EXERCISE

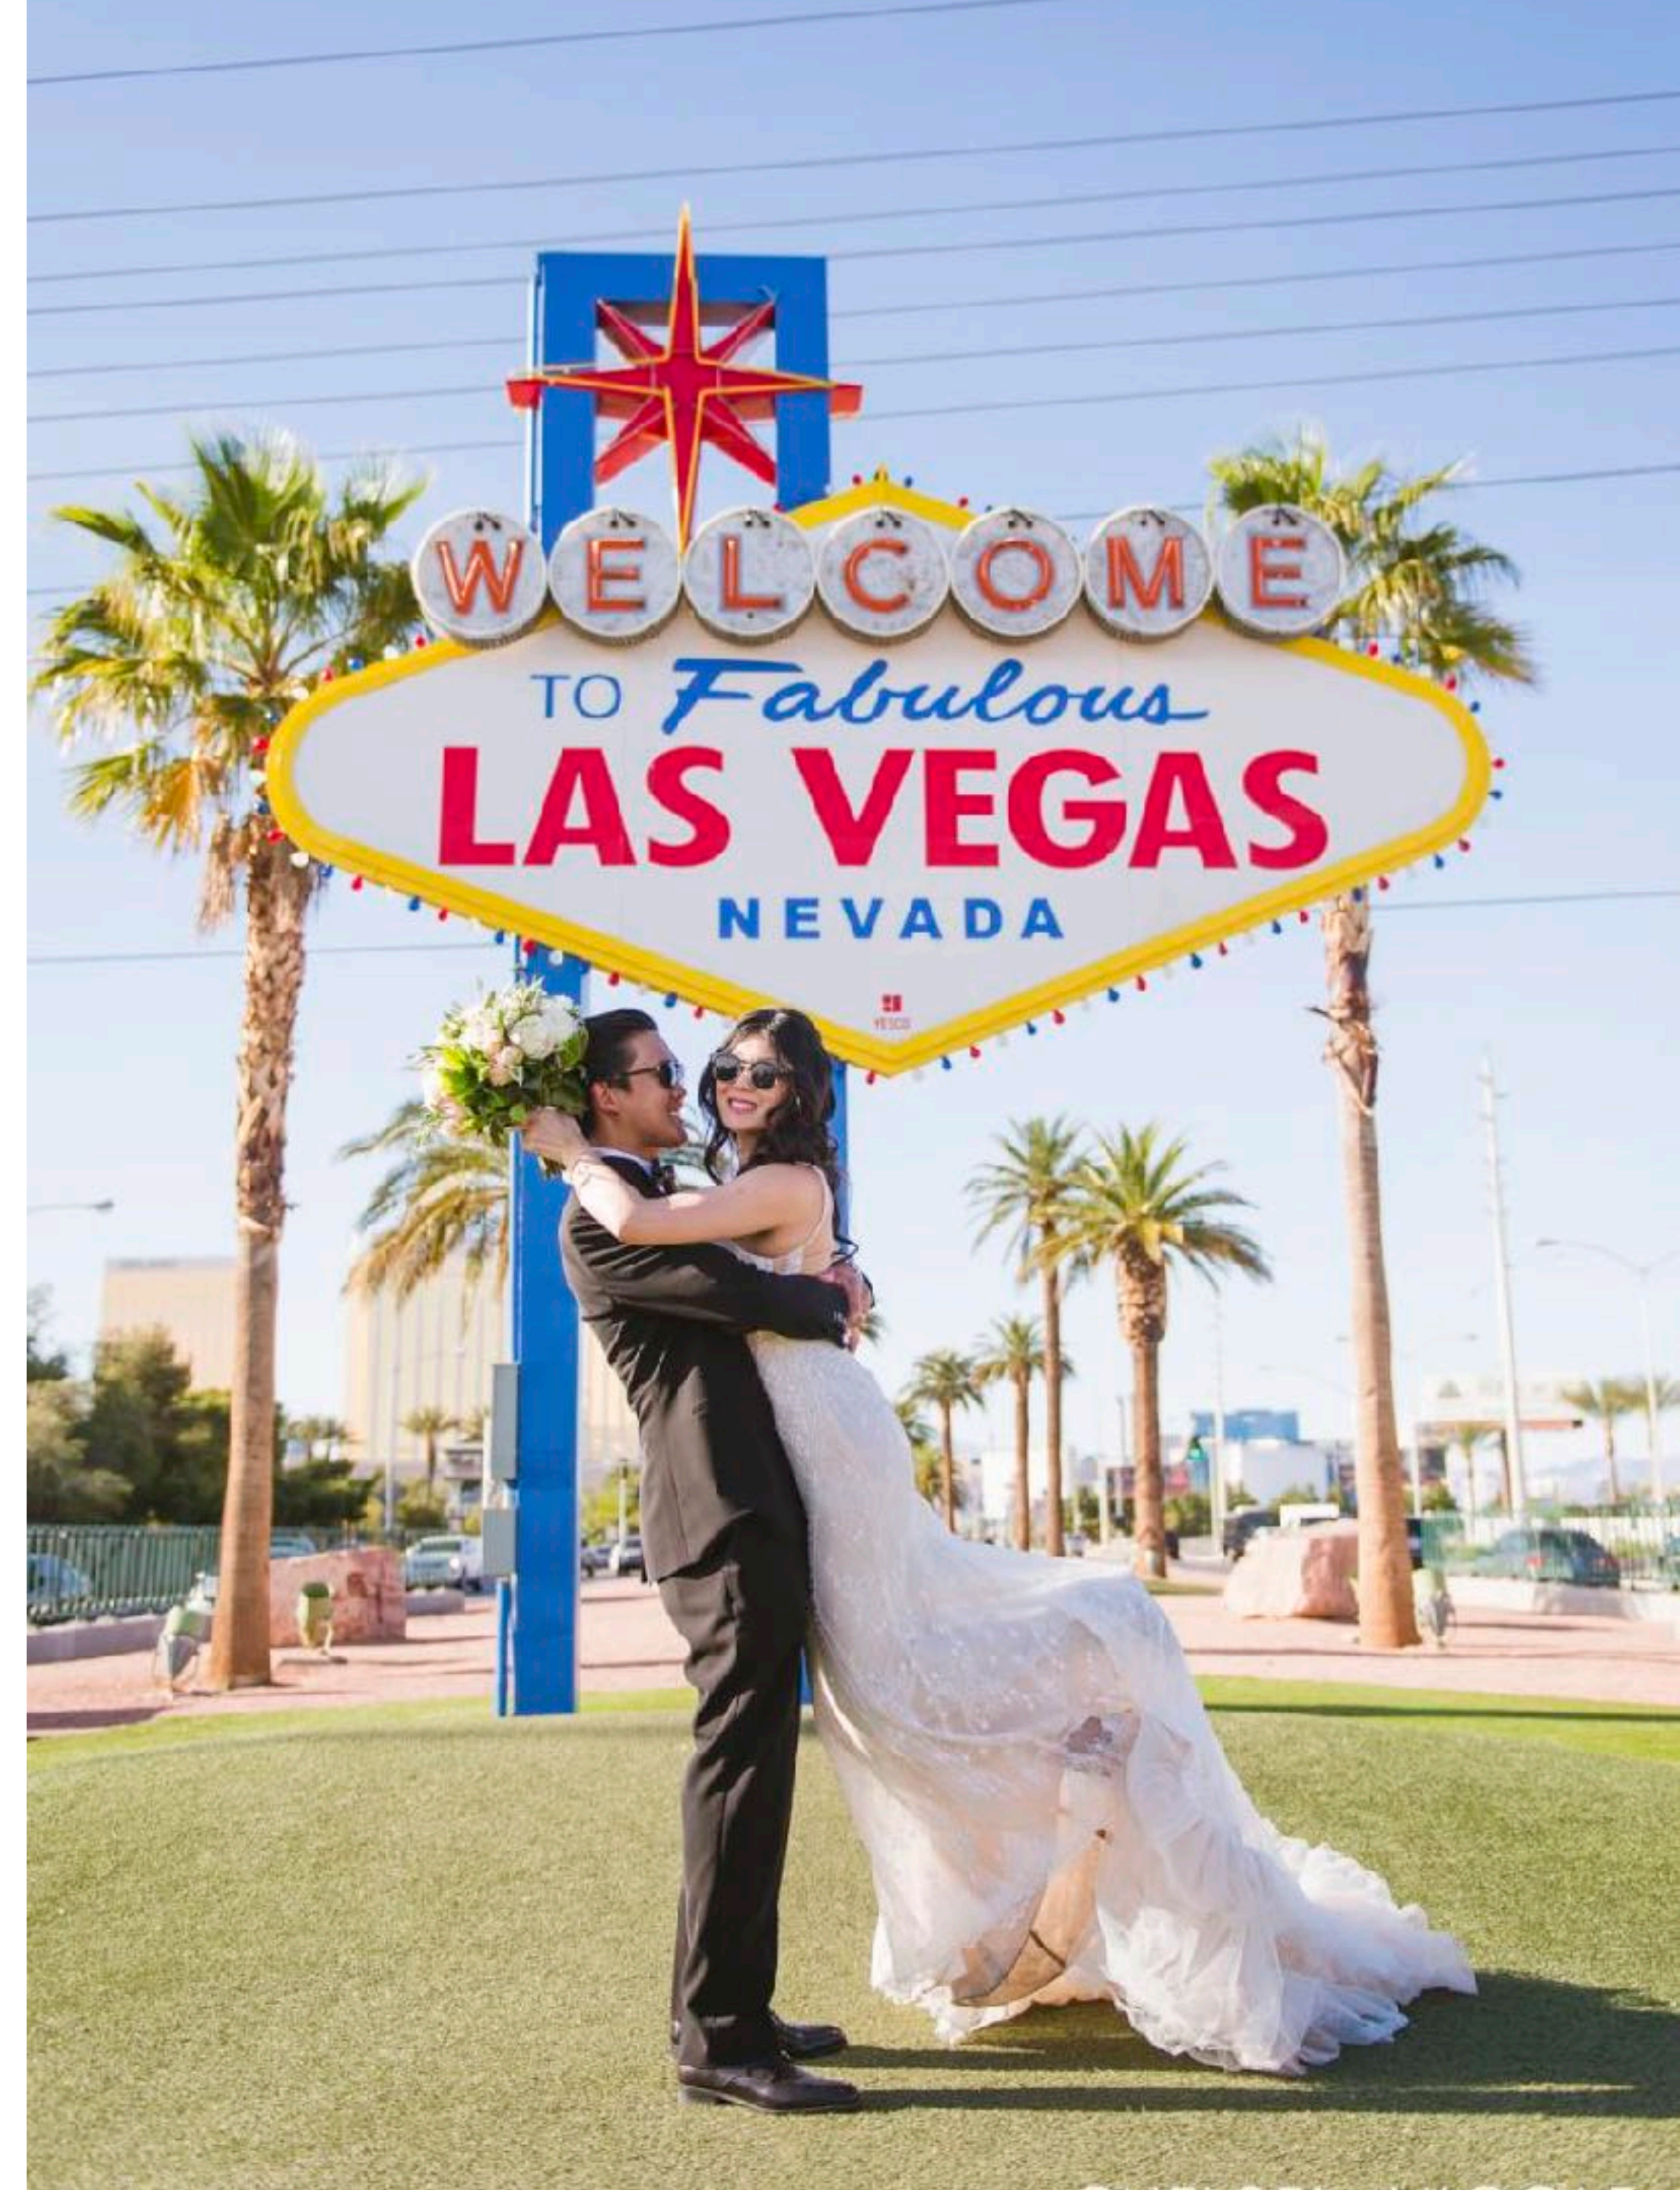

12 FUNNY

WRITE YOUR FIRST JOKE

“A Las Vegas wedding package includes everything you will need.”

What 3 things does the wedding package include?

Make a list of obvious things. Then make a list of unexpected/ exaggerated things.

EXERCISE

12 FUNNY

FINAL JOKES

A Las Vegas wedding package includes everything you will need. Flowers, champagne and a divorce lawyer.

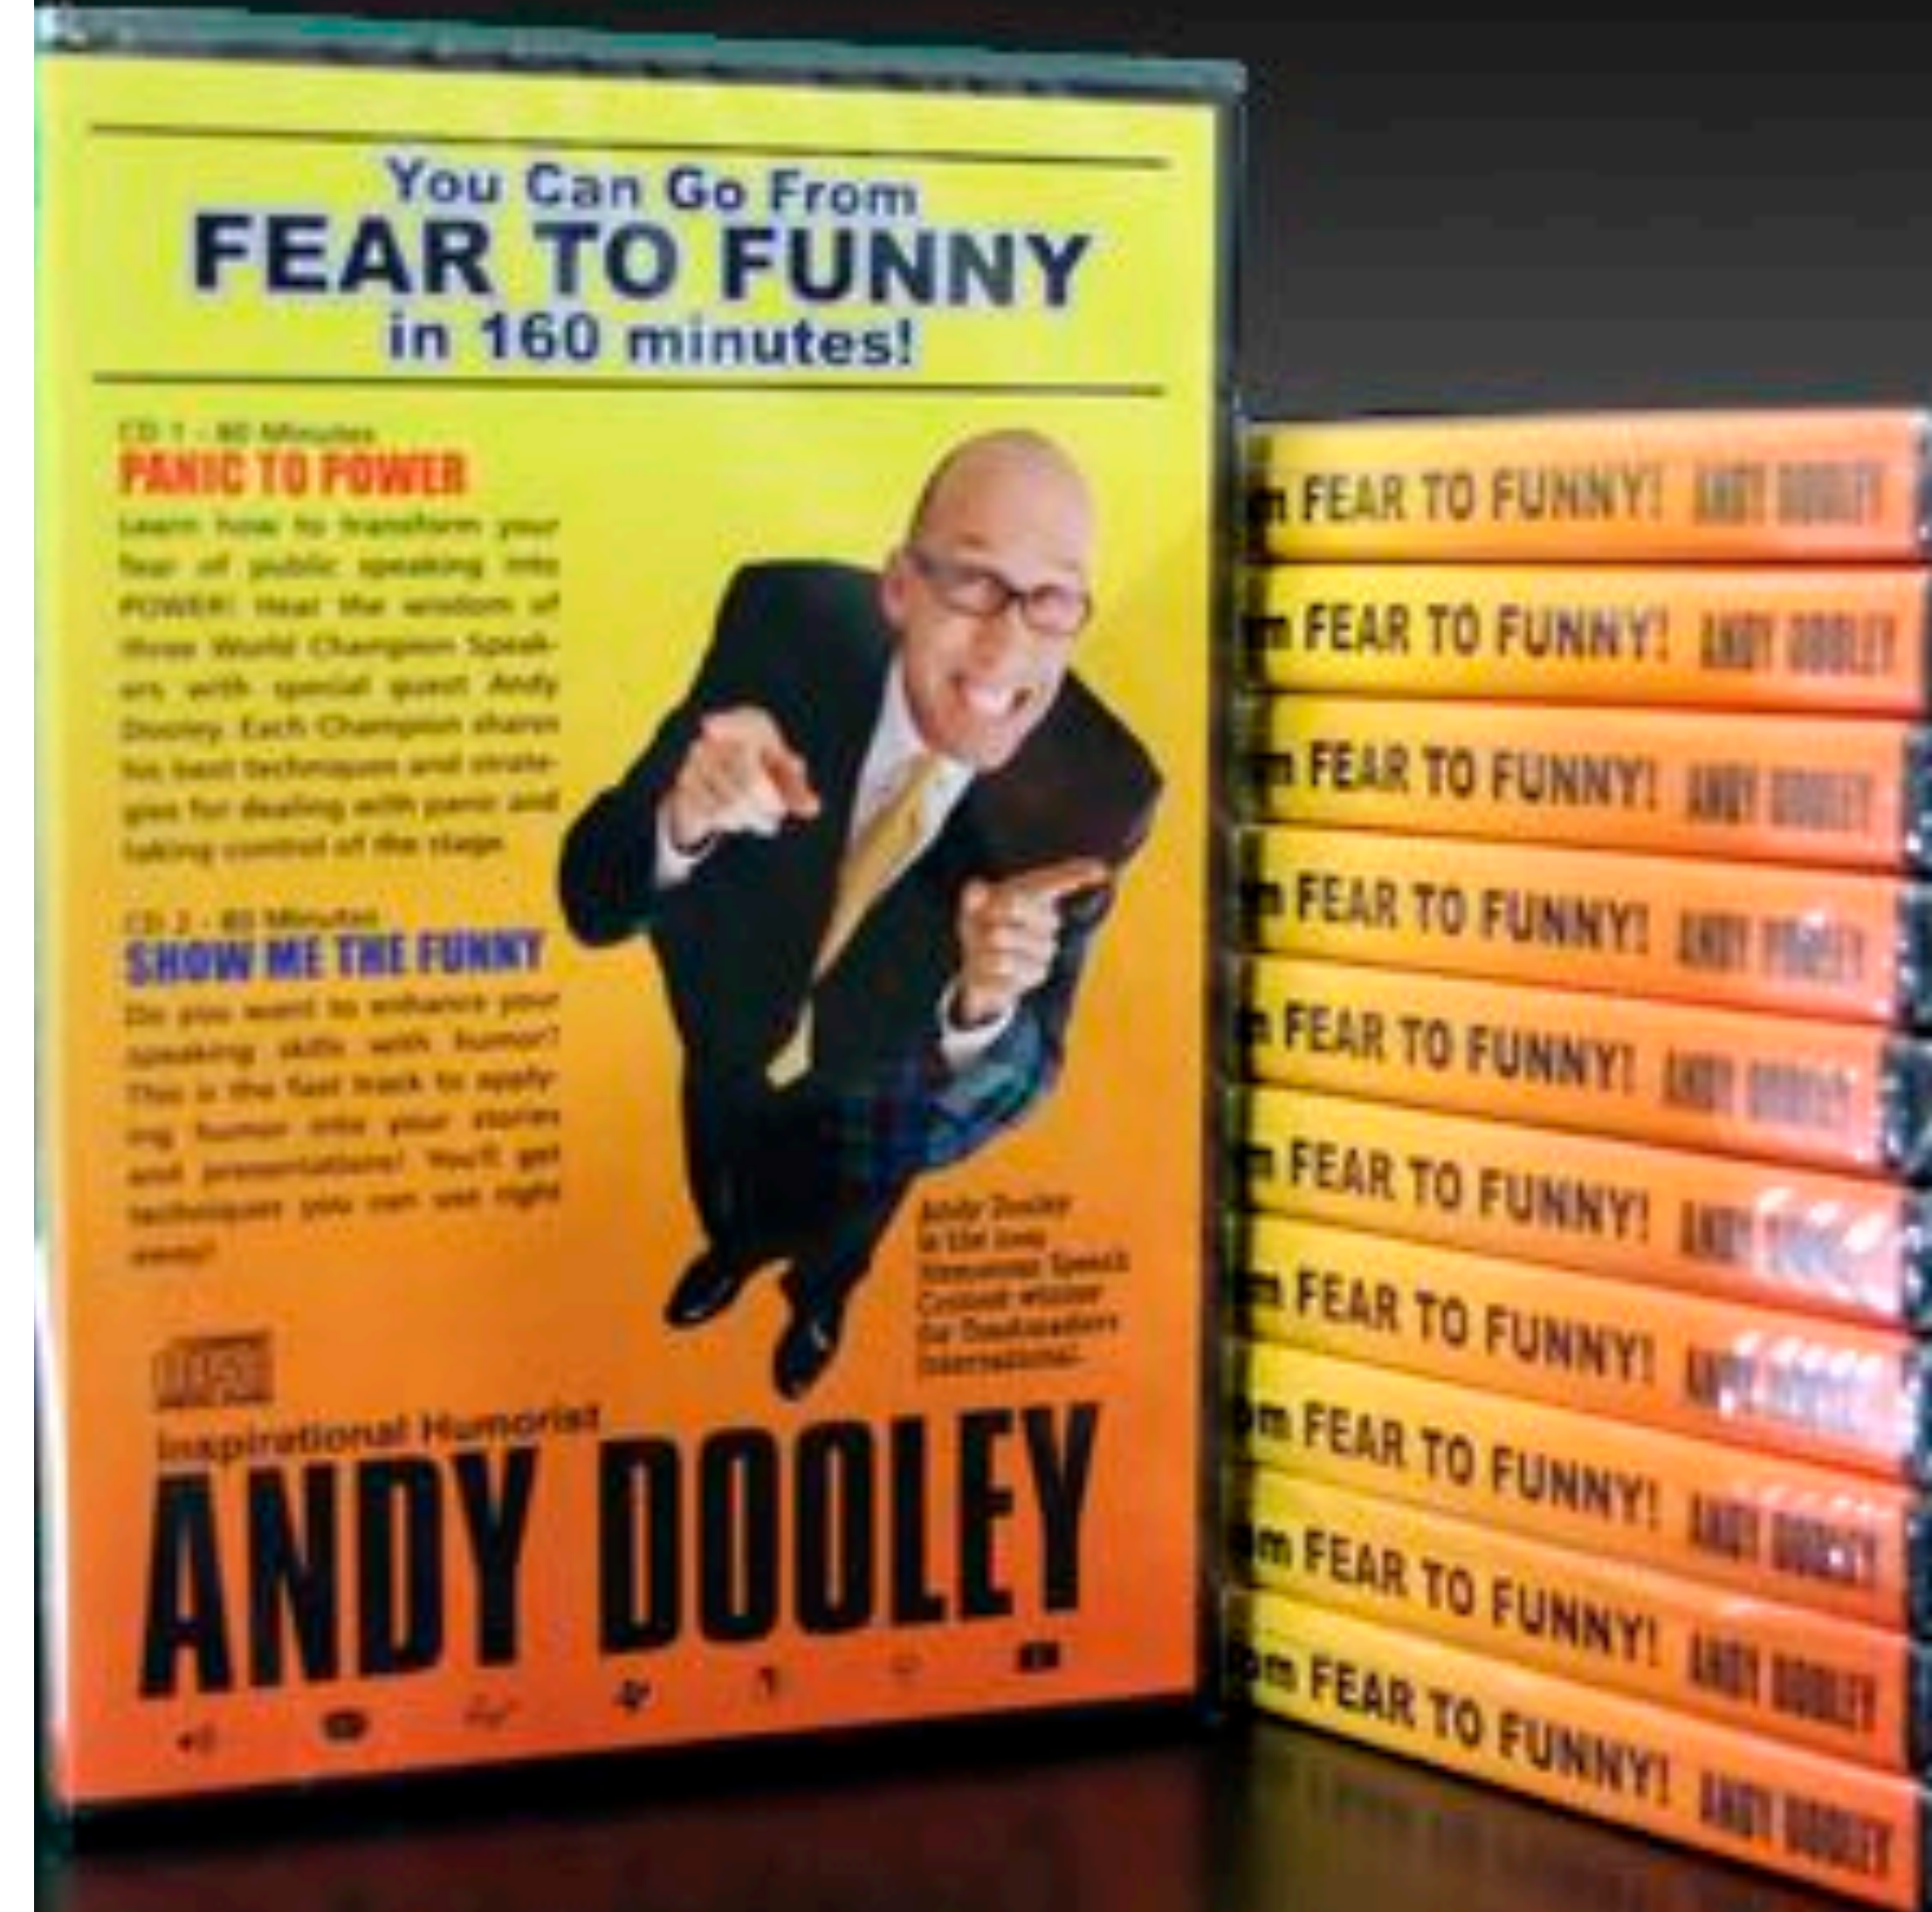

A Las Vegas wedding package includes everything you will need. A marriage certificate, a honeymoon suite and a test kit for STD's.
