Jambo Mike!

"Picture in your mind
All that you may be,
And with a little time
You will come to see:
That in the game of life
Your dreams will come alive,
By thinking of the end result
As if it had arrived."

Thoughts Become Things!

Lessons from the field...

- You don't have to know how you got where you are, to learn how to move from it.
- 2. Take unending baby steps down your least sucky paths.
- 3. Don't seconet coode: a tork. EAM
- 4. Don't wait until you're ready.
- 5. You teach best what you most need to learn.
- 6. Seeming failures are part of the miracles; refrain from passing judgment on your journey with your physical senses.
- 2. Sometimes knocking on one door causes a better one to open.
- 8. When dreams come true they always exceed your earlier *wildest* expectations.
